

cRO ReStart Abuse System v1.2

Our Rules: <https://classicro.net/?module=main&action=rules>

Ban Log: <https://classicro.net/?module=main&action=banlog>

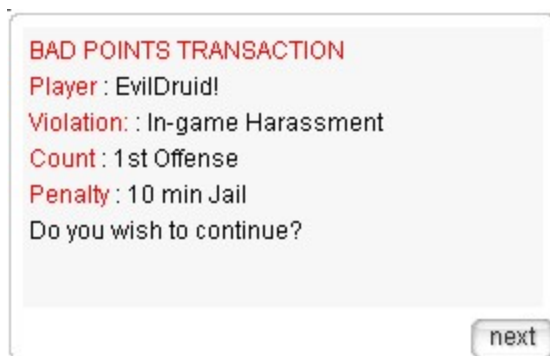

1. Type **@abuse**
2. Type player name **keyword** since sometimes it is very hard to type correct spelling of their character. Select the correct player name.

3. Select appropriate violation committed.

4. Verify information (make sure Player Name and Violation is correct).

5. If everything is correct, just select **Yes, Proceed the badpoints.**
